

Do today's challenges leave you re-evaluating your ministry options? If you find yourself needing more financial support you can obtain it while expanding your personal ministry at the same time! We would like to invite you to consider the Air Force as an option for ministry expansion part-time as a reserve or a full-time active duty chaplain. Both paths earn you outstanding healthcare options, added income, and an opportunity to serve your country. Basic requirements for both the reserve and active duty paths are a 72 hour graduate degree, ecclesiastical endorsement, and passing a health review. Contact our office where an Air Force Chaplain Corps recruiter is waiting to engage you about the Air Force ministry. Email us for more information at afrs.chaplains@us.af.mil

Very respectfully,
