

Lakes Christian Fellowship

From: Leo Martin, Chairman of Pastoral Search Committee
Subject: Pastor search

Date:30-Oct-21

Lakes Christian Fellowship is currently seeking a pastor who is willing to serve our Lord Jesus Christ in a bi-vocational capacity until the church grows enabling full time support. We are located in Belgrade, Maine, about 20 miles NNW of Augusta – the state capitol, in the Belgrade Lakes area.

The Lord has recently blessed us with a newer, larger, beautiful facility (744 Augusta Rd) in which we hold services, have multiple classrooms, a nursery, a large Fellowship hall and we're looking to fill it with joyous noise.

We have already assured ourselves that your school's "Statement of Faith" aligns with ours – which can be viewed on our web site Lakescf.org, in the "About Us" section.

We were wondering if you could recommend any recent graduates that have some experience, or some outstanding "soon to graduate", mature potential candidates.

Potential candidates should submit a resume', and 3 – 5 references, with contact information. If they have been in any "Pastoral position", links to recorded sermons would be appreciated.

Thank you for your consideration,

Leo Martin, Elder, Lakes Christian Fellowship
