

Dear Potential Pastoral Candidate

I am Tim Kenoyer, and I am serving as the interim pastor of Berean Baptist Church in Marion Ohio. I have been asked to care for the initial contacts in our search process for a pastor.

We are looking for a man to serve as the pastor of this congregation. Our fellowship attendance runs between 30-40 and are a group of believers who are committed to the Lord Jesus and His Word. We worship in a facility that is debt free and well cared for.

I was asked to serve as the interim pastor and have committed to do so until God provides a shepherd for this people.

We are looking for a man who meets the qualifications of I Timothy 3, Titus 1, and 1 Peter 5. Our preference would be for a man with a solid grasp of the Scriptures, a theological education, pastoral experience, and a commitment to heeding the call of God to shepherding His flock through their ongoing revitalization.

This revitalization has included the steps of a study of contributors to the present state, discipleship of the leadership team and the men of the church, review and revision of the previous confession of faith and constitution, and gathering a transition fund to allow a man to care for his family as he helps the church strengthen its purpose and passion.

Please feel free to send resumes to kenoyertk@gmail.com , or call 614-203-4269.

In Him,

Tim Kenoyer
