An independent church

We are a small church in Southern Delaware looking for a growth-oriented, Bible-believing pastor. We want an evangelistic, mission-minded person who will reach out to the community to bring a new generation to know the Lord.

We are financially solid. A 2-bedroom apartment is included (electric pd), or an extra allotment is available if a house is needed.

Our church is located in Southern Delaware, 15 minutes north of Salisbury, MD, 45 minutes from Rehoboth Beach, DE
