Grace Community Church of Huber Heights, OH has entered into a partnership with Assist Church Expansion for the purpose of identifying a new lead pastor and walking through a process for revitalization. After 28 years, the church's long-time senior pastor has retired, leading to this opportunity. The elders and congregation have embraced God's leading to engage a process of revitalization to ensure a fruitful future in reaching its community with the gospel.

Grace Community Church is seeking a Revitalization Pastor who will work with Assist Church Expansion through the revitalization process and into the future.
