We're Adding to Our Team!

Momentum Ministry Partners is looking to add to our Youth Conference staff! Do you or someone you know have a desire to use your gifts to make a difference in the lives of teenagers from across the country? We are looking for someone to join our team that has gifts in the areas of event planning and coordination, team building, administration with attention to detail, and a deep love for God and the local church. This position would have some travel required throughout the year, but overall could work remotely. See the link below for the full job description and to submit your resume and a cover letter.
