

Greetings from West Lafayette Indiana!

We are looking to hire a paid intern to work with our middle and high school students. The expectation would be that she or she would be at worship with us on Sunday mornings and then in West Lafayette one other day a week.

We are willing to craft the position to fit any pastoral residency requirements that your school may have.

Here is the official job description. Please post it both on your website and print it for an in person job boards.

Thank you so much,

Pastor SJ

Rev SJ Winter | Associate Pastor
