Dear Co-Laborers in Christ,

Colfax Community Church is seeking a man to serve as senior pastor. He must believe in the authority of the Holy Bible as the Word of God and is committed to preach and teach accordingly. If you could post this opening or provide names and addresses of possible candidates it would be appreciated.

Salary range: 50-62k per year

We are an independent fundamental church nestled in the hills of northern Michigan. We average 30 people each Sunday, the majority of which are young families. We serve our community in multiple ways: food pantry, CEF after school ministry, midweek youth ministry, funeral dinners, pregnancy center support, etc. We have a heart for missions both domestic and foreign. Area sister churches work along side us in like goals as a beacon of light to our community.

When we say community we include nearby towns of Manton, Cadillac and Mesick. Also, 30 miles "Up North" is the growing town of Traverse City on the shores of Grand Travers Bay. Here in the northwestern area of the lower peninsula, we are blessed with the beauty of the four seasons which impact the activities of our farming community. Our rolling hill, beautiful lakes and babbling creeks are a testimony to our Creator's handy work.

Thank you for your consideration in regards to our need. You can contact me at 231-429-0163, email larry.paquette@yahoo.com or mail to: Larry Paquette 9889 E. 22 Rd, Manton, MI 49663.

Yours for His Glory,

Larry Paquette
