

Rural Home Missionary Association is excited to be creating a new position — Director of Church Strengthening. This man will serve alongside our missionaries who minister in established small-town churches. He will help them navigate the personal struggles of being a small-church pastor. He will also advise the missionaries as they guide their churches in transition from needing RHMA’s help to being self-sufficient and thriving. If you’re interested in finding out more, click on the QR code or go to www.rhma.org/director-of-church-strengthening.
