Church Profile:

Faith Baptist Church is an organized body of believers who love the Lord and who desire to grow in grace as a church and reach the lost in our community with the gospel of Jesus Christ. We are smaller now than we once were, but we believe that, with God's grace and some hard work, we can begin to grow again. The Lord has given us some attractive facilities which we long to use to their fullest in the service of the Lord. We are not unwilling to make necessary changes, but we are grateful for our heritage and desirous of preserving it for the next generation.

We are currently in need of a pastor to shepherd and feed us as we do the work of the ministry.

Pastoral Profile:

- Someone who agrees with our doctrinal statement.
- Someone who will feed us by means of weekly expository sermons from the Word of God and will pray for us faithfully. Accordingly, he will labor in the Word and prayer.
- Someone who will model his teaching and preaching in daily life and thus lead the church by means of the Word and example.
- Someone who will help us grow by means of proclaiming the gospel to the lost in our community and not by worldly or carnal means. We expect to do most of the work of evangelism, but we need direction, instruction, and encouragement.
- Someone who can work a secular job to supplement his income, or who can raise support as a missionary, or who has other means of supporting himself financially until such a time as we are able to support a pastor full-time.
- Although we are in no position to insist, we prefer someone who has some master level training and some experience in ministry. We currently have no one who can play our piano or organ, so someone who brings those abilities would be a special blessing.
