

Hello! My name is Syd Walter and I am the Youth Council Administrator for the Reformed Church of Bronxville, in Bronxville New York. Currently we are looking to fill a position at the church for an Associate Director of Childrens and Youth Ministry and looking at Grace College and its Youth Ministries program, I am hoping that you can share this with students who are considering youth ministry, or any students generally you think would be interested. Finally, please pass along my information if anyone expresses interest.

Thank you for your time.

Best,

Syd Walter
