

**We are in search of supply pastors** for one Sunday at a time for two small rural churches that would have the same service. (Shared bulletin)

The Church is offering a flat rate of \$500 per Sunday which includes travel and 2 services.

We are also open to hiring a possible Intern or Interim for more consistency to the congregation.

Compensation negotiable if interested in this position.

Faith, Family and Fellowship are words that have been used to describe these churches that have been built on generations of family throughout their histories.

9 AM service at St. John in Medaryville, IN (address: 3686 W. 400 N, Medaryville, IN 47957) - about 1 hour 15 minutes from Grace campus.

10:30 AM service at St. James-Salem in Francesville, IN (address: 10934 W. 600 S, Francesville, IN 47946) - about 15 minutes from St. John

**Dress Code:** Business casual

**Length of message:** 15-25 minutes max. (to allow travel time to 2<sup>nd</sup> service)

**Theme:** Wide open....We have followed lectionary calendar, but congregations like messages that can relate the Bible to everyday life. Also open to sharing of personal testimonials, experiences, music, stories...and we always enjoy some humor.

**How to lead our service:** We usually follow the below template with items in all caps lead by pastor, if possible. But we do mix things up for special programs or speakers.
