About Hope Bible Church:

HBC was founded in the 1910's in the Hollins area of Roanoke. The church has declined in attendance from around 200 to an average of 45 worshippers. Our Next Gen Pastor is currently serving as the interim pastor after the retirement of our pastor emeritus who served for 34 years. The congregation is mostly older, but has recently seen an increase in young families visiting.

This fall, we stopped using Awana and have begun a family oriented program that we have called Ignite Hope.
