

The Tippecanoe Community Church, in Tippecanoe, Indiana, is in need of a seminary student/Pastor to fill our pulpit for Sunday morning and Sunday evening services. This would be an undetermined time frame during our search for a full-time Pastor or at such time as an interim Pastor is found.

We are a small rural church located approximately 21 miles from Grace Theological Seminary. The Tippecanoe Community Church is an independent, fundamental, Christ-centered, Bible-believing congregation with a traditional service format. We also support many missionaries worldwide.

Responsibilities would include a 35-40 minute sermon on Sunday mornings and a 30 minute Bible study on Sunday evenings.

If you feel God is calling you to meet this need, please contact: Russell Reichard @ 574-453-6819 or Dave Reichard @ 574-527-0693 to discuss further details.
