

St. Paul's Memorial Church in South Bend ([stpaulsmemorial.com](http://stpaulsmemorial.com)) seeks a full-time pastor to serve our congregation and grow our church. One of the city's most beautiful and historic churches, the 120-year-old church disaffiliated a few years ago from the United Methodist Church. Now non-denominational, it remains Bible-based and Christ-centered, practicing the tenants of the Protestant theology and the Liturgical Christian Calendar. The church is located west of downtown and is a cornerstone of the West Washington National Register District. Current Sunday attendance averages around 50. The sanctuary, including balcony, can seat approximately 600.

St. Paul's seeks a pastor who will:

- \* Officiate the weekly Sunday morning worship service.
- \* Perform sacraments of Baptism and Holy Communion.
- \* Make home and hospital visits.
- \* If called upon, perform weddings (of a man and a woman) and funerals/memorial services (all with extra compensation beyond regular salary).
- \* Provide spiritual leadership to the congregation and serve as a Christian role model to inspire the congregation to follow suit.
- \* Initiate ways to attract new and younger members, conduct membership classes.

Salary is negotiable, commensurate with experience, and includes a lovely Georgian-style parsonage, adjacent to the church, that was recently renovated and would be an ideal family home.
