

Student Minister
Lead Staff (Full-Time)
Reports to: Executive Minister

NORTH TERRACE
Church of Christ

Scope

The Student Minister is a champion and team leader of outreach and discipleship with middle school and high school students at North Terrace. This position leads NT Students by working with leaders, coaches, and teams who strive to provide relational environments where students can do life together; disciple each other, and pursue *One More* on a week to week basis. The Student Minister works with parents and guardians of students to support and amplify the spiritual influence at home. This position also fulfills other leadership responsibilities critical in the pursuit of *One More*.

Responsibilities

Volunteers (40%)

A primary responsibility of the position is to lead leaders who are serving students.

- **Engage/Equip:** invite partners to join NT Student leadership team as volunteers to serve students and train them to fulfill roles and meet expectations set by Student Minister.
- **Empower/Evaluate:** support and coach NT Student leaders/volunteers to serve students in various roles defined by the Student Minister.
- **Leadership Development:** be a vision caster who has ICNU (I See In You) conversations with adults and students and guides them into leadership roles.

NT Students (40%)

Another primary responsibility of the position is to lead students in their walk with Christ.

- **Events/Activities/Programs:** develop and execute strategy to pursue *One More* student through outreach, discipleship, and leadership development.
- **Curriculum:** develop and execute a teaching plan to increase knowledge of Bible, theology, and world view to equip students to be faithful followers of Jesus and to share their faith with others.
- **Service:** develop and execute opportunities for students and leaders to serve in the community and world and pursue God's *One More*.

Parents/Guardians (20%)

- **Communicate:** develop and execute communication strategies with parents/guardians of students to strengthen partnership between home and North Terrace.
- **Equip:** develop and execute training opportunities to support parents/guardians as primary spiritual influencers in the lives of students.

Measured Outcomes

Performance will be measured on the following categories:

- **Assimilation:** The number of students who participate in a Discipleship Group and service opportunities.
- **Attendance:** The number of people who participate in NT Student events/activities/programs.
- **Leadership Development:** The number of adults and students serving in leadership/volunteer roles in NT Student ministry.
- **Planning/Communication:** Planning of NT Student ministry and communication to leaders, volunteers, parents, and students.

Position is Full-Time, Salaried with Benefits and Vacation.
