

Opening for a Three quarter-time pastor:

“Faith, Family, Fellowship.” “A small church with a big heart!” These are words that have been used to describe our churches that have been built on generations of family throughout their rich histories. We would like members with young families to feel drawn to join in activities, to continue their walk of faith, or start the journey for their children or possibly themselves. We are looking for someone to help minister and be attentive to all members of the church, wherever we are on our faith journey. We want to welcome a minister to join and be part of our church families...a “people person” willing to meet others in the community and participate in community activities. Our future is bright - come be part of our family of faith!

Yoked Church Compensation package includes:
