

Worship Pastor

Our Area – Angola is a town within Steuben County Indiana with a population of just over 9,000 residents. It is the home of Trine University. Steuben County has 101 lakes and is a great vacation town with tons of things to do. We are also only 45 minutes from Fort Wayne.

Our Church – Founded in 1992, SonLight Community Church is part of the FEC, Fellowship of Evangelical Churches. We are a church of 160 and growing. We have between 6-10 youth (6th-12th grade) and 25-35 children (1st-5th grade) on a given Sunday. We feel God is bringing SonLight to the next level and our youth and children's ministry will be a vital part of that.

Our Opportunity – SonLight is seeking the right candidate to be our next Full-Time Worship Leader. Our vision for this position is to hire someone with a heart for the local church and its people. A person who has a passion for people and is intentional in shepherding, discipling, and developing men and women. A person who is willing to fully integrate into the church and do life alongside the people of Sonlight Community Church. A person who has the desire and the ability to take the worship ministry to the next level in preparing people's hearts for worship not only in our Sunday gatherings but in everyday life. The right candidate should also have the ability to create graphics and manage SonLight's social media accounts. This person will have a servant's heart, and a humble spirit, be transparent and authentic in relationships, and exemplify a life that has been and continues to be transformed by the gospel of Jesus Christ.
