

# PASTORAL MINISTRY OPPORTUNITY

Our church is looking for a new pastor to lead the ministry at Whippoorwill Community Church. Our pastor is stepping down in June because of health reasons. This is a great opportunity for pastoring God's church as we seek to move forward in a new chapter!

## WHIPPOORWILL CHURCH

We are a loving church family made up of believers from all walks of life, including farmers, managers, CEO's, nurses, teachers, and others. We also have a wonderful mix of ages from newborns to seniors.

Whippoorwill is a non-denominational, non-charismatic Bible church located just 4 ½ miles north of Rochester, Indiana.

We currently enjoy a blended worship service with hymns and contemporary songs. Whippoorwill averages 100+ people on Sunday mornings.
