

Covenant Community Church  
Hudsonville, MI

Pastor  
Full-time

Covenant Community Church is an intimate, healthy Christian Church rooted in the Word of God, genuine worship, loving community, and a humble servant's heart. Our desire is simple and straightforward: to become more like Jesus in the way we love God, love one another, and serve our neighbors. We are prayerfully seeking a pastor who will walk alongside us, faithfully teach the Word, shepherd with wisdom and grace, and help lead us into deeper discipleship and joyful mission together. The principal work of the pastor is spiritual discipleship through biblical preaching and teaching, partnering with us in mission, and equipping us for ministry.
