Dear Brothers and Sisters in Christ,

Grace and peace to you. We are writing on behalf of Harvey's Point Christian Church in Cartter/Kell, Illinois, to ask for your assistance in helping us locate a preacher to serve our congregation.

Our church is currently seeking a part-time preacher, and we welcome bi-vocational candidates who feel called to faithfully preach and teach the Word of God. We are prayerfully looking for someone who holds firmly to the authority of Scripture, has a clear testimony of faith in Jesus Christ, and is committed to delivering biblically sound, Christ-centered sermons that encourage spiritual growth within the congregation.

If you know of someone within our fellowship who may be interested in serving in this capacity- or if you would be willing to share this opportunity with others in your congregation- we would be grateful for your help. We appreciate your partnership in helping us find the right person to serve our church family.

Interested candidates may submit a brief resume, statement of faith, and references to the contact information below.
