

Bedford Christian, is located in Trimble County Kentucky, in Bedford, Kentucky. It is located in a small, rural community. Our Sunday attendance varies between 30-40 in total. The congregation is mainly older in age, however we do have a couple families with young children, as well as a few High School aged.

We are looking for a minister who:

- Loves Christ
- Loves working with children
- Would love to help a little church grow in number and spirit.

Our church is also involved in community outreach throughout the year. Through this we help our local schools, EMS, fire department, road department, local hospital, and several others. We also help with the school backpack program. We spread the outreach around by helping/giving once a month.

Some of the other things we do are:

- food pantry
- Christmas Live Nativity
- Christmas Church Play
- Easter Egg Hunt / Church Dinner
- Church fish Fry
- Yearly church picnic (Lake Jericho)
- And more...

Our church also has a very nice parsonage located approximately 1/4 mile from the church, with an attached garage.

In conclusion, we pray that God will bring to us one who will happily join our church family, creating a positive difference in the lives of all who walk through the doors!

Sincerely grateful for any assistance,
Kimberly Temple
