

Faith Baptist Church in Ottawa Ohio is seeking a new Pastor. The current Pastor, Denny Coates was the founding Pastor and stepped aside in September 2026.

Over the last 40 years, Denny has grown this church from just a few families to a solid church of about 75 regular attendees. The church has developed a solid reputation as the only Baptist church in a predominately (81.6%) Catholic county. Many of the church members are former Catholics who also seek to actively be good witnesses in their community to the family, friends and neighbors.

The church will soon be completing a large expansion project. That project includes a new multipurpose center and additional classrooms as well. The footprint of the new expansion is roughly the same size as the existing church which was constructed in 1998. Both the original building and the expansion were built with funds from the congregation without incurring debt. The new expansion is expected to be fully paid off upon completion later this year.

The church has a strong Bible foundation with a conservative music ministry.
