Qualifications:

- A clear testimony of personal faith in Jesus Christ and a genuine calling to pastoral ministry.
- A strong commitment to the authority, inspiration, and sufficiency of Scripture.
- Agreement with the church's biblical and doctrinal convictions.
- A commitment to expository preaching and sound biblical teaching.
- The biblical character qualifications for pastoral leadership outlined in 1 Timothy 3 and Titus 1.
- A heart for evangelism, discipleship, and shepherding people of all ages.
- Strong interpersonal and communication skills, with an approachable and servant-hearted leadership style.
- A passion for reaching younger generations while respecting and valuing the entire congregation.
- A teachable spirit and willingness to work closely with an experienced Senior Pastor.
- Formal biblical or theological education preferred, although relevant ministry experience will also be considered.
